

Project Development Phase Sprint – 1

Download the dataset:(from kaggle)

The screenshot shows the Kaggle website interface. The browser address bar displays the URL: <https://www.kaggle.com/datasets/patrasaurabh/airstats-data-on-airports-around-the-world>. The left sidebar contains navigation links: Home, Competitions, Datasets, Code, Discussions, Learn, More, Your Work, and a 'RECENTLY VIEWED' section with items like 'Crop Production in L...' and 'View Active Events'. The main content area features the dataset title 'AirStats: Data on airports around the world' by SAURABH PATRA, updated a year ago. It includes a 'Download (3 MB)' button and a 'New Notebook' button. Below the title is a description: 'Data on airports around the world, their codes, official websites, and much more'. The 'About Dataset' section explains that airport codes can refer to IATA (three-letter) or ICAO (four-letter) codes. The right sidebar shows 'Usability' (10.00), 'License' (ODC Public Domain Dedication ...), and 'Expected update frequency' (Annually). The Windows taskbar at the bottom shows the date as 11/11/2022 and the time as 11:53 AM.

Registration:(register the cognos analytics platform)

The screenshot shows the registration page for IBM Cognos Analytics for Academics - Student Edition. The page is titled "Register Now" and includes a link for users who already have an IBM account. The registration form is divided into sections for account information, including email, first and last name, password, and country/region of residence. A sidebar on the left provides information about the student edition, including a list of features and a note about the requirement for a valid higher education email address.

IBM Cognos Analytics for Academics - Student Edition

Uncover the truth hidden in your data with Cognos Analytics. Start now no download required.

The student edition includes:

- Guided demo to show you around Cognos Analytics
- Stunning visualizations that will help you understand your data – and how to act on it
- AI Assistant that allows you to ask questions and receive answers in plain language
- Simple self-service that simply works – no matter your skill level

Valid Higher Education email address is required for registration
Term of use is 12-months and may be renewed while still enrolled as a student
