large in scope

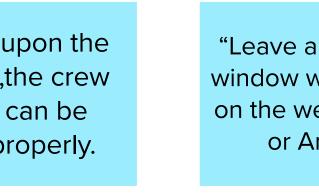

Policies to promote intermodal transport connectivity aim to enhance the mobility of people and businesses travelling or

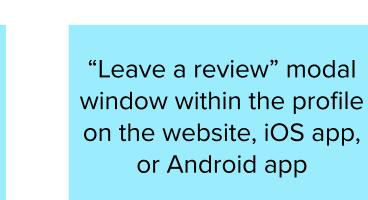

transporting goods through airports by making aviation, urban and last-mile transportation more seamless, efficient and affordable.

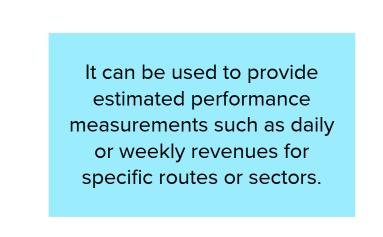

"Crew management is a complex task due to many legal constraints. For instance, if staff belong to a trade union, limitations include an allowed number of flight hours and days off, as well as reimbursement in case of a labor law violation,"

There are numerous fraudulent

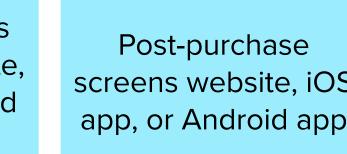

schemes, including paying with
stolen cards, claiming
reimbursement for "lost" baggage,
creating fake online travel

agencies, and so on.

People: Who do they see or talk to?

Places: Where are they?

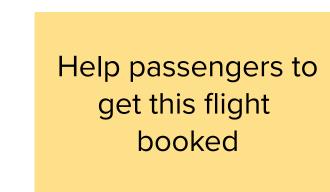

Things: What digital touchpoints or physical objects would they use?

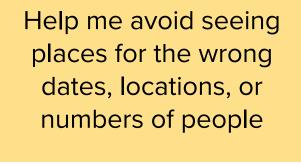

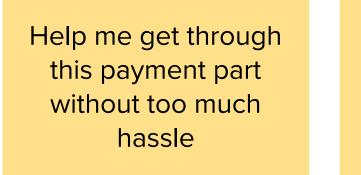

Goals & motivations

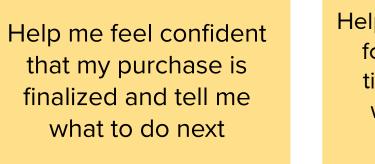

At each step, what is a person's primary goal or motivation? ("Help me..." or "Help me avoid...")

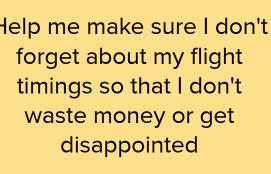

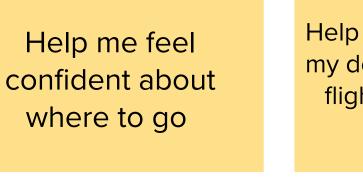

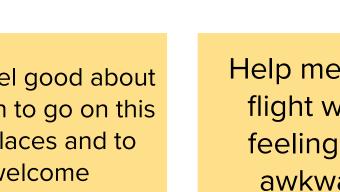

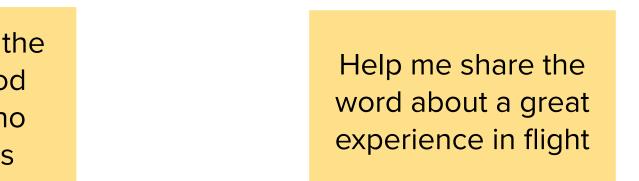

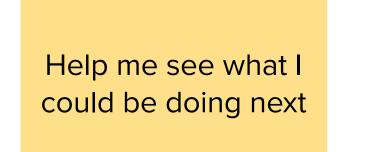

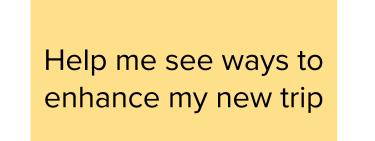

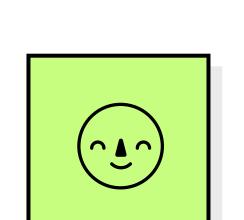

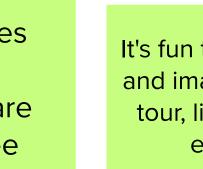

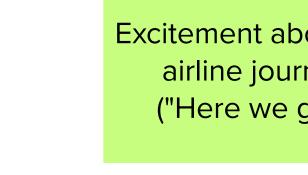

Positive moments

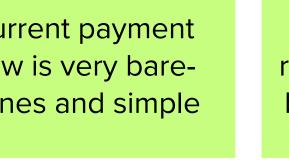

What steps does a typical person find enjoyable, productive, fun, motivating, delightful, or exciting?

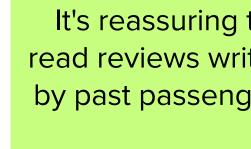

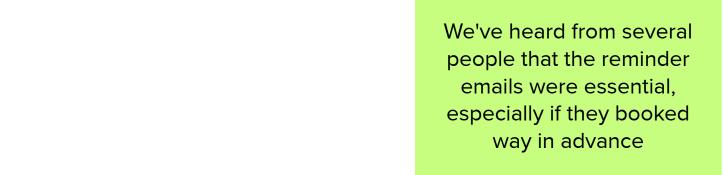

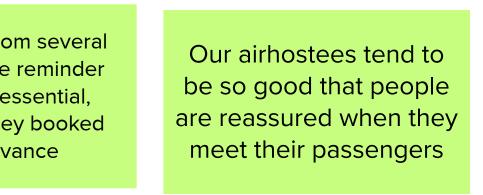

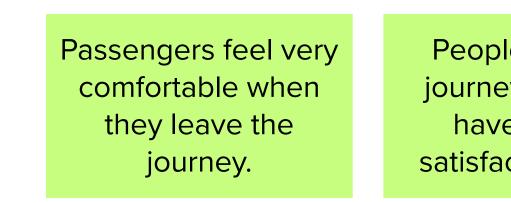

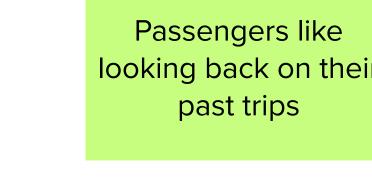

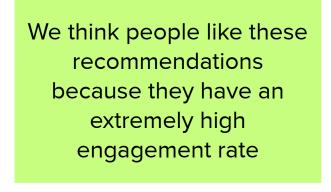

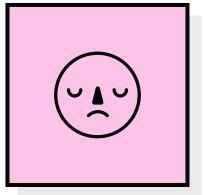

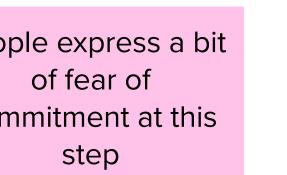

Negative moments

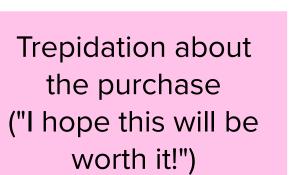

What steps does a typical person find frustrating, confusing, angering, costly, or time-consuming?

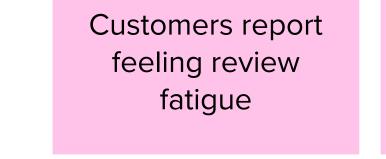

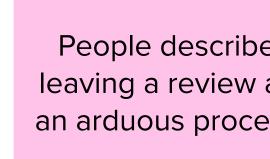

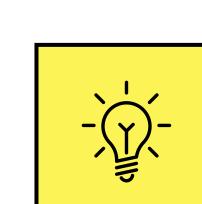

Areas of opportunity

How might we make each step better? What ideas do we have? What have others suggested?
